Diversity@Workplace Consulting Group LLC (www.DiversityatWorkplace.com) is an innovative, **implementation-focused** Diversity & Inclusion(D&I) consulting and training company for your workplace. We offer no frills, deeply practical D&I expertise and services. We have direct hands-on experience -- we have implemented D&I strategy, initiatives, and programs within organizations. Our deep knowledge and experience encompass all aspects of talent: recruiting, learning and development, executive coaching, succession planning, performance management, and associate engagement. This ensures none of our work will be a “throw away” -- they will be lasting building blocks for D&I in your organization.
