

STAFFING FOR ENTREPRENEURIAL SUCCESS

**ENET
3/3/20**

For the Organization, one needs to determine the priorities of the skills the organization requires.

- Core Required Skills / Timelines
 - For the essence of your enterprise.
- Availability / Cost
 - Which assets are difficult to acquire?
- Cultural Alignment
 - Ease to Manage Expectations
- What will the Customers expect?
 - Finance? Marketing? Sales?
- What will the Funders insist on?
 - Critical Roles?
- Cash Management
 - Compensation Structure
 - Cash vs. Equity

Risk Management

It is a neglected Project.
