

# Funding technology ventures

ENET November 18, 2022

Ulrik Nielsen

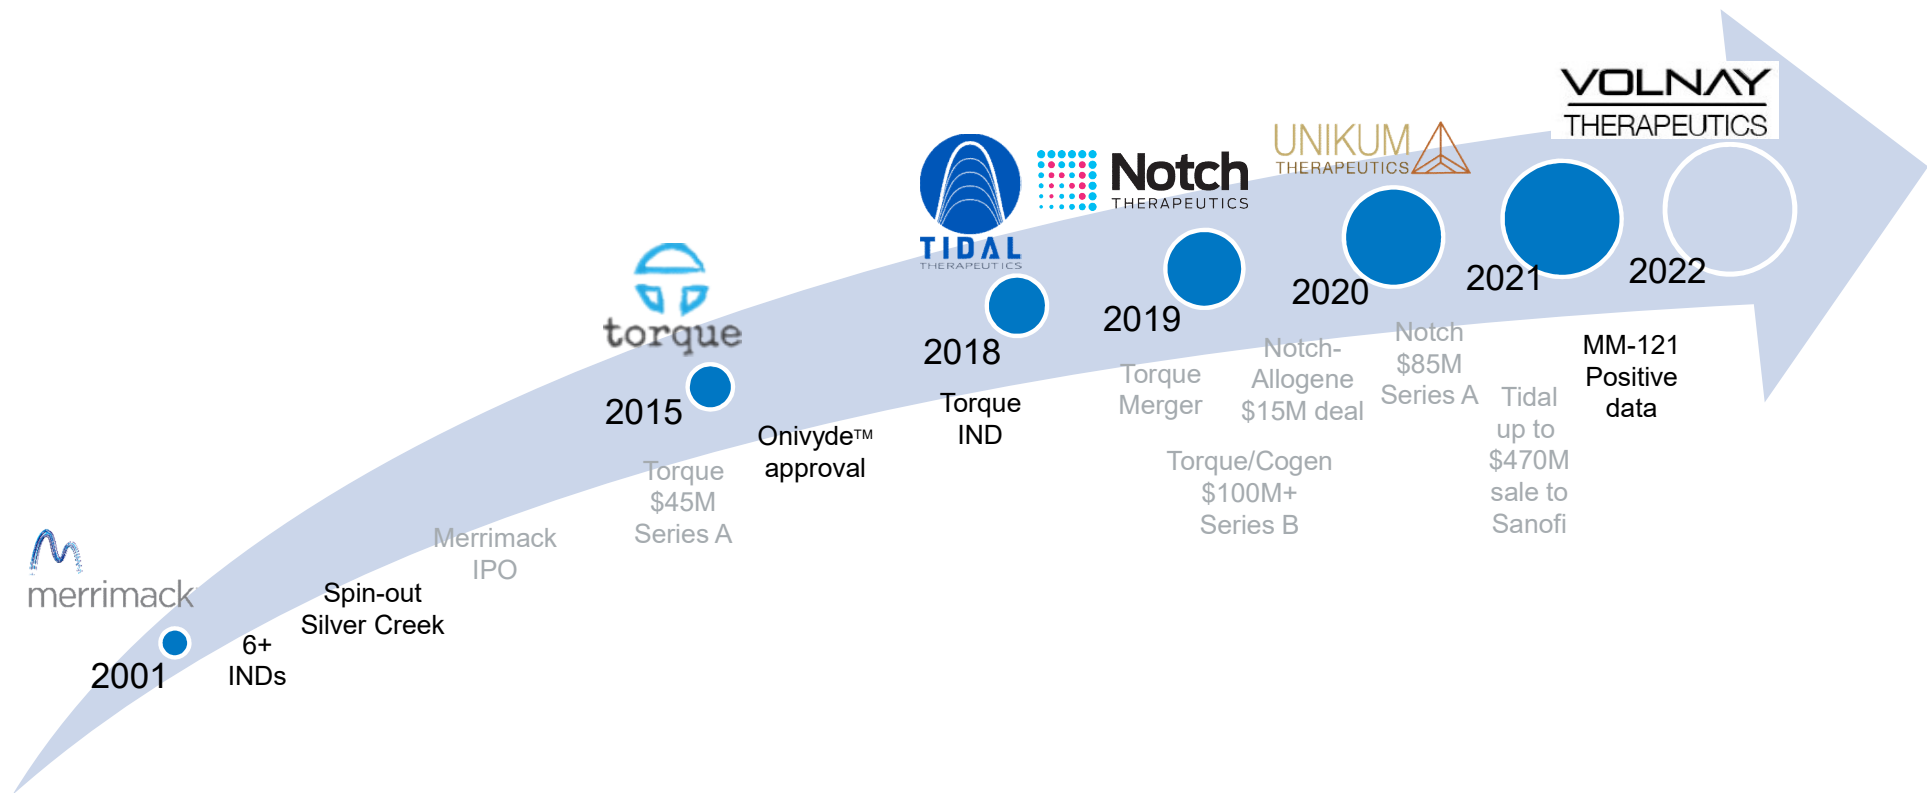

CEO Tidal Therapeutics

“It is easy to start companies  
- the hard part is finishing them”

A.J. Sinskey (MIT)

# My 20 years of venture creation...

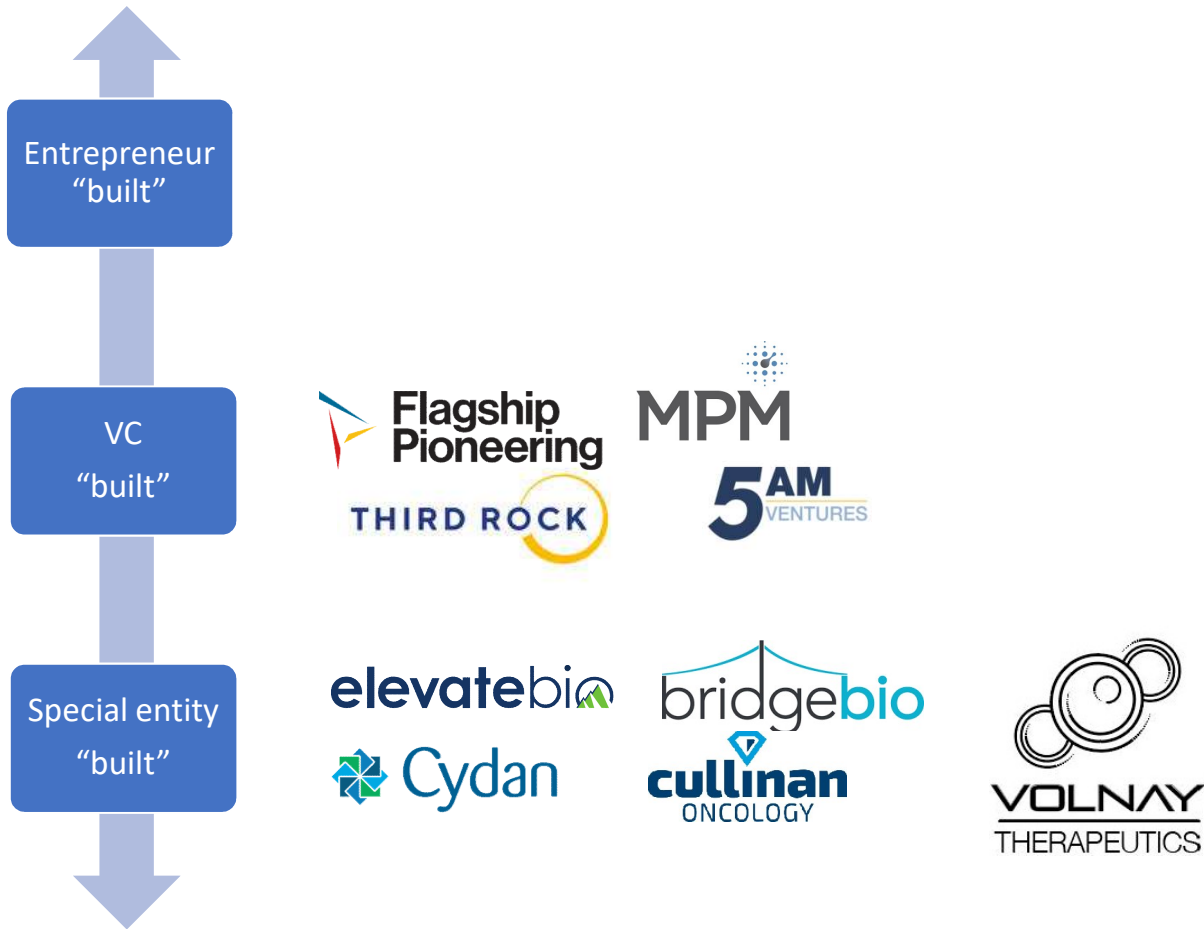

# Funding venture creation

- Many sources of dilutive and non-dilutive capital
- Funding sources will affect company control
- Consider whether an investor is someone you can work well with
- Will they participate in future rounds?
- Does the investor bring more than money? domain knowledge, network, etc.

# New models for venture creation

Thank you!

Ulrik Nielsen
